

“Making Memories” Playground Campaign

We are excited to announce that the Grapeview Playground will be erected by September!

Thank you to everyone who supported our campaign through donations, fundraising, letter writing, poster creation, voting and all the other ways that you were able to contribute. This was truly a Grapeview community project with a very successful outcome.

We would like to acknowledge the following supporters for their financial contribution to the “Making Memories” Campaign. Now children will slide, swing, climb and play because of your kindness.

The new playground will be named **Almeta Rodwin Playground**, in memory of Taylor Mowat’s grandmother, who especially enjoyed watching children play. Thank you so much to Taylor’s Aunt, Barbara Rodwin for her generous donation and for helping “Make Memories” for the entire Grapeview Community.

A special thank you to the City of St. Catharines & The Keg Steakhouse and Bar for each providing a grant of \$25,000 to this very important community playground.

Please mark your calendars and join us on **Friday, September 9th at 3:00pm** for the Playground Opening Ceremony. There will be special guests and our very own Adela Dunkley will perform the ribbon cutting.
